

The folder, 3 Templates – DRAWINGS, is a place to store master versions of our standard and typical details. The distinction between standard and typical is that standard details are almost always used 'as is' and typical details almost always need some modification to suit the project circumstances. For reference, the proposed detail NAME and preferred SCALE are given with the actual detail along with NOTES TO THE USER. The details are arranged by Assembly. Below is a list of the Assemblies we use, which has been expanded somewhat to suit our needs.

Master List of Drawing Standards Sheets

FILE NAME	ASSEMBLY NAME	DESCRIPTION OF STANDARD CONTENT
01-FND	1-Foundations	Waterproofing, Footing Drain, USUALLY COVERED BY STRUCTURAL ENG: Footing, Foundation, Lap Reinforcing, Undermining Footings, Step Footings.
02-SUB	2-Substructure	Slab On Grade, Under-drains, Thickened Slab, Slab Block-outs,
03-SUPER	3-Superstructure	Interior bearing conditions, Load-bearing Walls, Lintel Schedules,
04-EXT	4-Exterior Closure	Wall Sections, Window Openings, Door Openings,
05-ROOF	5-Roofing	Roof Composition, Copings, Gravel Stops, Gutters, Downspouts, Curbs, Walkway Boards, Ladders, Counter-flashing, Base flashing, Pipe box, Roof Curb, Roof Hatch, Skylights,
06-INT	6-Interior Construction	Drywall details, Masonry details, Base details, Shelving, Casework, Borrowed Lights, Flooring, Thresholds, Wainscots, Corner Guards, Ceilings, Bulkheads, Soffits, Half height walls, Skylight wells,
07-VERTICAL	7-Conveying Systems	Elevator Plan, Elevator Section, Stair Plans, Stair Sections, Stair Details, Railing Details,
	8-Mechanical Systems	not used
	9-Electrical Systems	not used
10-GENERAL	10-General Conditions	Project Sign, Design Team Listing,
11-SPECIAL	11-Special Construction	Fire Extinguishers, Visual Display Boards, Projection Screens, Movable Shelving, Docks, Signage, Directories, Flagpole, Acoustic Isolation,
12-SITE	12-Site Work	Pavements, Sidewalks, Curbs, Erosion Control, Drain Inlets, Trench Detail, Steps Details, Railing Details, Modular Block Retaining Walls, Sports Field layouts, H/C Signs, Curb Cut, H/C Parking Space layout, Bollard, Guard Post, Light Pole Base, Head Wall, Fence and Gate detail,

**NON-STANDARD
'ASSEMBLIES'**

20-SCHED	20-Schedules / Legends	Ceiling Legend, Finish Legend, Sealant Schedule, Painting Schedule, Door Schedule, Finish Schedule, Room Finish Tag, Insulation Schedule, Concrete Finish Schedule, Hardware Schedule, Roof Plan Legend, Toilet Accy Schedule, Mounting Heights,
21-DOORS	21-Door Details	Door Elevations, Frame Elevations, Door Jamb details, Door Head details, Door Sill details,
22-CODES	22-Code Compliance Tables	Zoning, Building Code, Special Inspections,
23-ROOMS	23-STD Room Layouts	Floor Plans, Elevations, Vanity Casework, Toilets, Janitor,
